

## ★APPENDIX J

INCONSISTENT CONDITIONS

## A. FINANCE OFFICER INCONSISTENT CONDITION TABLE

<u>CONDITION</u>	<u>DESCRIPTION</u>
D01	Member reenlisted C of G. Review and adjust account if applicable. (This manual.)
DO2	Has member provided/supplied documentation to substantiate payment of Advance TLA.
DO3	Member has a liquidation of indebtedness (D928 remark) that has been suspended in excess of 220 days through the last U&E. The finance officer having responsibility for the pay account is to determine the reason and take appropriate action. Coordination with DFAS-POCT/DE or the prior finance officer who suspended the liquidation is required to determine what action will be required to complete the waiver process.
D04	Member joined unit and elapsed time has not been reported in a timely manner. Determine reason for elapsed time was not reported and take appropriate action; e.g., D/N unit to have member settle travel. Member's date of arrival in excess of 45 days. (MCTIM; this manual)
D06	Verify excess leave for proper computation of pay and allowances and leave balance. (This manual.)
D13	Member's detachment date is greater than 60 days and a join entry has not been processed. Verify member's status. (MCO P1080.40.)
D24	Member has excess leave period and received an annual CRA payment. Credit half day of CRA, if applicable. (This manual.)
D25	POE code has not been reported and member's pay status code indicates member is discharged. (This manual.)
